CONTENT CALENDAR

1-Week Sustainable Travel Campaign • Chennai & ECR Coastal Region

Campaign Strategy: Promotes eco-friendly, budget-conscious, and heritage-focused travel around Chennai, Mahabalipuram, and hidden coastal gems, aligned with the Sustainable Travel Guide flyer.

Day 1: The Teaser & Hook

Reel / Short Video

VISUAL CONCEPT:

Dynamic video clip showing ocean waves crashing near the Shore Temple at Mahabalipuram, overlaid with text: "Looking for a sustainable weekend trip from Chennai?"

"You don't need a massive budget or a long flight to experience magic. Stay tuned this week for our ultimate guide to eco-friendly, budget-conscious travel around Chennai! 🌊📌"

👉 **Call to Action:** Save this post for your next trip planning session!

Day 2: Spotlighting Hidden Beaches

Carousel Post

VISUAL CONCEPT:

High-quality gallery showing non-touristy coastal spots along the East Coast Road (e.g., Kovalam Beach, Akkarai Beach, Alamparai Fort shoreline).

"Skip the crowds! Here are 3 serene, hidden beaches near Chennai where you can enjoy the ocean responsibly. Remember: Leave only footprints, take only memories! 🌂✨"

👉 **Call to Action:** Which of these coastal spots would you visit first? Drop a comment below!

Day 3: Eco-Friendly Street Food Guide

Reel / Short Video

VISUAL CONCEPT:

Quick cuts of iconic local culinary delights: traditional South Indian filter coffee in brass sets, banana leaf meals, hot seasoned *sundal*, and fresh tender coconut.

"Eating local is the best way to travel sustainably! From traditional mess meals to beachside snacks, here's how to eat your way through Chennai on a budget while supporting local vendors. 🍛🥥"

👉 **Call to Action:** Tag your travel buddy who is only in it for the street food!

Day 4: Heritage & Cultural Travel

Single Image / Feature Graphic

VISUAL CONCEPT:

A striking, high-contrast shot of the Mahabalipuram Shore Temple against the coastal skyline (matching the flyer cover image).

"A UNESCO World Heritage site right on our doorstep! Exploring Mahabalipuram's ancient architecture on foot or by bicycle is one of the best heritage eco-tours in South India. 🏛️"

👉 **Call to Action:** Have you explored Mahabalipuram yet? Tell us your favorite monument!

Day 5: Budget-Friendly & Sustainable Tips

Infographic / Graphic Post

VISUAL CONCEPT:

Clean 4-point design graphic highlighting: 1) Public ECR bus transport, 2) Reusable bottles & totes, 3) Supporting artisan weavers/carvers, 4) Staying at family homestays.

"Traveling sustainably doesn't mean spending more. In fact, it often saves you money! Here are 4 quick ways to lower your carbon footprint and your budget on your next trip. 🌿"

👉 **Call to Action:** Share this with someone planning a trip soon!

Day 6: Hidden Gems & Off-the-Beaten-Path

Story Series / Interactive Post

VISUAL CONCEPT:

Interactive Story stickers/quizzes asking followers to identify spots like the Madras Crocodile Bank Trust or Mudaliarkuppam backwaters.

"Beyond the main city lies incredible biodiversity and quiet escapes. Slide through our stories to uncover this week's featured hidden gem! 🦎🚤"
